

Shamrock Necklaces

Have the luck of Irish with you all day long with these fun, easy shamrock necklaces!

What You'll Need:

- * Shamrock template (one per child)
- * Yarn
- * Scissors
- * Crayons/markers -- green
- * Hole punch or sharp pencil
- * Ziti-type pasta (7 per child)

Preparation:

We recommend cutting out the shamrocks first. This makes it easier to color both sides.

Activity:

- * Give each child 6 shamrocks (one template sheet). Have them color both sides.
- * Punch a hole in the center of the shamrock with hole punch or sharp pencil.
- * String shamrock and pasta onto yarn. Start with pasta, then one shamrock, and alternate, ending with pasta.
- * Tie ends of yarn together.
- * Send us a photo of your lucky children and their necklaces and we may post it on our site!
